### **Dr. Jeff Spencer and the Discovery Cycling Team use Kinesio® to help with 8th straight Tour de France Victory**

**Learn how Dr. Jeff Spencer uses Kinesio Tex® Tape help his Discovery Cycling Team members stay competitive during the Tour de France and other bicycling competitions.**

Category: General

Posted by: kinesio

The Discovery Cycling Team won their eighth straight Tour de France recently on the legs of Alberto Contador. Contador, as well as the rest of the Discovery Cycling Team was aided through out the 94<sup>th</sup> Tour de France by Kinesio® Tex Tape. Kinesio® and the Discovery Cycling Team, through the likes of Dr. Jeff Spencer, have had a healthy relationship over the years. Our congratulations go out to Dr. Jeff Spencer, Alberto Contador, and the rest of the Discovery Cycling Team and wish them continued success.
